1. Complaints Procedure

St Bart's Multi-Academy Trust strives to ensure that its pupils are healthy, happy and safe, so they are able to achieve their full potential. We recognise that parents, guardians or carers play an important part in making this happen. Co-operation between parents, staff and Governors leads to a shared sense of purpose and a good atmosphere across the Trust.

Our aim is to deal with issues and concerns before they become a 'complaint'. However, there is a clear protocol to follow if necessary and the steps to follow are outlined in this document.

2. The Rules of Natural Justice

Simply put, the rules of natural justice relate to fairness. The Trust will ensure that all concerns, difficulties or complaints are dealt with in accordance with the following principles:

- All parties will be provided with all information and documentation pertinent to the matters raised;
- All parties will be given the opportunity to prepare and present their case and respond to the other parties involved;
- All persons investigating and making decisions in relation to the matters raised will be impartial and will do so without bias (or apparent bias) to any party involved;
- All decisions made will be made on a balanced and considered assessment of the information before him or her only;
- All decisions made will be based upon logical conclusions, and not based on mere speculation or suspicion;
- All decisions made will be supported by detailed reasons which will be disclosed to all parties involved.

3. Legal framework

This policy has due regard to all relevant legislation and guidance including, but not limited to, the following:

- Freedom of Information Act 2000
- Education Act 2002
- Equality Act 2010
- Part 7 of The Education (Independent School Standards) Regulations 2014
- Immigration Act 2016
- UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- HM Government (2016) 'Code of Practice on the English language requirement for public sector workers'
- ESFA (2021) 'Best practice guidance for academies complaints procedures'
- ESFA (2022) 'Academy trust handbook 2022'

4. Equality Act 2010

The Trust will deal with concerns, difficulties and complaints in accordance with its duty under the Equality Act 2010 to have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and other conduct prohibited by the Equality Act 2010;
- Advance equality of opportunity between those who share a relevant protected characteristic and those who do not, by having regard to the need to:
- Remove or minimise disadvantages connected to a relevant protected characteristic; and
- Take steps to meet the different needs of those sharing a relevant protected characteristic; and encourage those who share a relevant protected characteristic to participate in Academy life and activities in which participation is disproportionately low;
- Foster good relations between those who share a relevant protected characteristic and those who do not, by having regard to the need to:
- tackle prejudice; and promote understanding;

“Relevant protected characteristics” includes sex, race, disability, religion or belief, sexual orientation, gender reassignment, pregnancy and maternity and (in the case of persons who are not students) age.

In addition, the Trust will comply with its duty to make the following reasonable adjustments for persons with a disability:

- Where a provision, criterion or practice places a disabled person at a substantial disadvantage compared to person who is not disabled, reasonable steps must be taken to avoid that disadvantage;
- Where a disabled person would, but for the provision of an auxiliary aid, be placed at a substantial disadvantage compared with a person who is not disabled, reasonable steps must be taken to provide the auxiliary aid.

5. Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by St Bart’s Multi-Academy Trust and its academies, other than complaints that are dealt with under other statutory procedures, including those listed below.

Exceptions	Who to contact
<ul style="list-style-type: none">• Admissions to Academies	Concerns about admissions should be handled through a separate process – either through the appeals process or via the relevant local authority.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against the Trust or an Academy in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

6. Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at one of the Trust Academies.

Any person, including members of the public, may make a complaint to St Bart's Multi-Academy Trust about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

7. Definitions

For the purpose of this policy, a **concern** may be defined as 'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'.

A **complaint** may be defined as 'an expression of dissatisfaction however made, about actions taken or a perceived lack of action'. Complaints can be resolved formally or informally.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. St Bart's Multi-Academy Trust and its academies take concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, and similarly if the member of staff directly involved feels unable to deal with a concern, we will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, we will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

8. How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf of a complainant, as long as they have appropriate consent to do so.

Complaints against academy staff (except the Principal) should be made in the first instance, to the Principal via the academy office. Please mark them as Private and Confidential.

Complaints that involve or are about the Principal should be addressed to the Chair of Governors, via the academy office. Please mark them as Private and Confidential.

Complaints about the Chair of Governors, any individual governor or the whole Local Governing Committee should be addressed to the Trust Head of Operations, via the academy office. Please mark them as Private and Confidential.

Complaints about the Chief Executive Officer (CEO) or a trustee of the Trust, should be addressed to Chair of Trustees, via the Trust office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure (**Appendix 1**). If you require help in completing the form, please contact the academy office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in

alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

9. Anonymous complaints

We will not normally investigate anonymous complaints. However, the Principal or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

10. Time scales

Complaints are expected to be made as soon as possible after an incident arises to amend the issue in an appropriate timescale. The Trust upholds a **three-month** time limit in which a complaint can be lodged regarding an incident. Complaints made outside this time limit will be considered in exceptional circumstances. In the case of any timescales changing, all parties involved will be informed of the changes in a timely manner..

11. Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

12. Resolving Complaints

At each stage in the procedure, St Bart's Multi-Academy Trust and its academies wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- An explanation that, following investigation, the evidence does not substantiate the concern.
- An explanation that there is insufficient evidence and thus the complaint cannot be upheld;
- * An admission that the situation could have been handled differently or better;
- An assurance that we will try to ensure that the event complained of will not recur;
- An explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made (details of disciplinary procedures that have taken place as a result of the complaint will not be shared).
- An undertaking to review Trust or Academy policy or procedure in light of the complaint;
- An apology;

* An acknowledgement that the Trust or an academy could have handled the situation better is not the same as an admission of unlawful or negligent action.

13. Withdrawal of a complaint

Where a complainant wishes to withdraw their complaint, the Trust will ask them to confirm this in writing.

If despite the complaint having been withdrawn, the Trust will still take the complainant's voice seriously and attempt to avoid causing similar distress to others in the future. The Trust will not under any circumstances ask, or pressure an individual, to withdraw a complaint.

14. Acceptable Behaviour

Whilst the Academy recognises that the process of raising a concern or complaint can be very stressful St Bart's Multi-Academy Trust will not tolerate aggressive, violent, abusive or anti-social behaviour towards anyone on the academy site. Parents and members of the public are required to behave in a polite and courteous manner. Academy staff are expected to behave in a courteous and professional manner when dealing with parents and members of the public at all times.

15. Persistent or Vexatious Complaints / Harassment

If, despite all stages of this procedure being followed, the complainant remains dissatisfied, they are not entitled to reopen the same issue. In such cases action may be taken in accordance with the SBMAT Dealing with Persistent or Vexatious Complaints / Harassment Policy

16. Investigating Complaints

The person investigating the complaint will:

- Establish what has happened so far and who has been involved.
- Clarify the nature of the complaint and what remains unresolved.
- Meet with the complainant or contact them if further information is required.
- Clarify what the complainant feels would put things right.
- Conduct any interviews with an open mind and be prepared to persist in the questioning.
- Complete all necessary notes.

17. Records of Complaints

A confidential written record will be kept of all complaints and any action taken by the Trust or an Academy as a result of the complaint, regardless of whether they were upheld, resolved at the informal stage or proceeded to a panel hearing.

Records of complaints will be available for inspection on the premises by the proprietor and the Principal.

Findings and recommendations of any panel hearings will also be available for inspection on the premises by the proprietor and the Principal.

The Trust or Academy will retain records of complaints and related documents in line with the Data Protection Policy and Records Management Policy. Personal data will only be kept for as long as necessary.

Correspondence, statements and records relating to individual complaints are kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Education and Skills Act requests access to them.

18. Review of Complaints

The Local Governing Committee will monitor the level and nature of complaints and review the outcomes on a regular basis to ensure the effectiveness of the procedure and make changes where necessary. The Principal will report any official complaints in the Principal's Report to Governors and to the Multi-Academy Trust Board of Trustees. As well as addressing an individual's complaint, the process of listening to and resolving complaints will contribute to academy improvement. When individual complaints are heard the Local Governing Committee may identify underlying issues that need to be addressed. The monitoring and review of complaints by the academy and the Local Governing Committee will be a useful tool in evaluating the academy's performance.

Stage 1 – Informal complaints (Academy Level)

It is to be hoped that most concerns can be expressed and resolved on an informal basis.

Concerns should be raised with either the **class teacher, Key Stage Leader or Principal**. Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at **Stage 3** of the procedure.

At the conclusion of their investigation, the appropriate person investigating the complaint will provide an informal written response **within 10 academy days** of the date of receipt of the complaint.

If the issue remains unresolved, the next step is to make a **formal complaint**.

Stage 2 – Formal complaints (Academy Level)

Formal complaints must be made to the **Principal** (unless they are about the Principal), via the academy office. This may be done in person, in writing (preferably on the Complaint Form), unless the complainant has a sufficient reason to request a reasonable adjustment be made to amend this.

The Principal will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) **within 5 academy days**.

Within this response, the Principal will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Principal can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The Principal may delegate the investigation to another member of the Academy's senior leadership team but not the decision to be taken.

During the investigation, the Principal (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Principal will provide a formal written response **within 10 academy days** of the date of receipt of the complaint.

Where the situation is recognised as complex, and it is deemed to be unable to be resolved within this timescale, the Principal will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of the actions that will be taken to resolve the complaint.

The Principal will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of **Stage 2**.

If the complaint is about the * Principal, or a member of the Local Governing Committee (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at **Stage 2** as above.

Complaints about the Principal or member of the Local Governing Committee must be made to the Head of Operations, via the academy office.

If an academy complaint is:

- jointly about the Chair and Vice Chair or
- the entire Local Governing Committee or
- the majority of the Local Governing Committee

Stage 2 will be escalated to the **CEO of the Trust**.

* Please note this refers to a complaint specifically about the Principal and not about the decision that the Principal has made regarding your initial concern. If you feel that your complaint has not been resolved, then you should proceed to **Stage 3**, outlined below.

Stage 3 – Panel Hearing (Academy Level)

If the complainant is dissatisfied with the outcome at **Stage 2** and wishes to take the matter further, they can escalate the complaint to **Stage 3** – a panel hearing consisting of at least three people who were not directly involved in the matters detailed in the complaint, with one panel member who is independent of the management and running of the academy.

This is the final stage of the complaints procedure.

A request to escalate to **Stage 3** must be made to the Trust Head of Operations, via the academy office, **within 10 academy days** of receipt of the **Stage 2** response.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) **within 10 academy days**.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting **within 15 academy days** of receipt of the **Stage 3** request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Local Governing Committee or
- the majority of the Local Governing Committee

Stage 3 will be heard by the Trustees and an independent panel member.

A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate. .

For instance, if an academy employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At least **5 academy days** before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee **at least 5 academy days** before the meeting.

Any written material will be circulated to all parties **at least 5 academy days** before the date of the meeting.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from **Stage 1** of the procedure.

The meeting will be held in private. The Trust holds the right to use recording devices, where appropriate, to ensure all parties involved are able to review the discussions at a later date. Where there are communication difficulties or disabilities, the Trust may provide recording devices to ensure the complainant is able to access and review the discussions at a later point.

Recording devices will not be used without the prior consent of all parties.

Where the Trust allows complainants to record meetings, the following will be considered:

- How any decision to allow recordings may affect any third parties called to act as witnesses
- The impact and consequences on the individuals involved in the complaint in the event that recordings are lost or leaked

The Trust will not accept as evidence any recordings that were obtained covertly and without the informed consent of all parties being recorded.

Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Committee. If there are fewer than three governors from the Local Governing Committee available, the Clerk will source any additional, independent governors through another SBMAT Academy Local Governing Committee, in order to make up the committee. Alternatively, an entirely independent panel may be convened to hear the complaint at **Stage 3**.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and the academy with a full explanation of their decision and the reason(s) for it, in writing, within 5 academy days.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by the Academy.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions that the Academy will take to resolve the complaint.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the academy premises by the proprietor and the Principal.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

19. Complaints escalated to / about the Trust, CEO or Trustee

Stage 2 – Formal complaints (Trust Level)

If a complaint is escalated to St Bart's MAT "the Trust" or if a complainant wishes to complain directly about the Trust, then the complaint should be sent to the CEO to be investigated.

The CEO will write to the complainant acknowledging the complaint **within 5 academy days** of the date that the written request was received. The acknowledgement will confirm that the complaint will now be investigated under **Stage 2 Formal Complaints (Trust Level)** of this Complaints Policy and will confirm the date for providing a response to the complainant.

Following the investigation, the CEO will write to the complainant confirming the outcome **within 10 academy days** of the date that the letter was received. If this time limit cannot be met, the CEO will write to the Complainant with an update and revised response date.

If the complaint concerns the CEO or a Trustee, the complaint should be investigated by the Chair of the Trust Board. If a formal complaint form is received about the Chair, the complaint will be referred to the Vice Chair for investigation

NB. Where the Chair of the Trust Board has investigated the complaint, they will write the letter of outcome to the Complainant and provide a copy to the CEO.

Stage 3 – Panel Hearing (Trust Level)

If the complainant is not satisfied with the outcome of the previous stage, the complainant should write to the Clerk of the Trust Board asking for the complaint to be heard before a Complaint Panel, **within 10 academy days**.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) **within 10 academy days**.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting **within 15 academy days** of receipt of the **Stage 3** request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Trust Board or
- the majority of the Trust Board

Stage 3 will be heard by a completely independent committee panel.

The Complaint Panel will consist of three members. None of the three members of the Complaint Panel will have been involved in the incidents or events which led to the complaint, or have been involved in dealing with the complaint in the previous stages, or have any detailed prior knowledge of the complaint.

One of the Complaint Panel members will be independent of the management and running of the Academy Trust. This means that the independent Complaint Panel member will not be a Trustee or an employee of the Trust.

A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the panel meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a trust employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At **least 5 academy days** before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the panel at least 5 academy days before the meeting.

Any written material will be circulated to all parties **at least 5 academy days** before the date of the meeting.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from **Stage 1** of the procedure.

The meeting will be held in private. The Trust holds the right to use recording devices, where appropriate, to ensure all parties involved are able to review the discussions at a later date. Where there are communication difficulties or disabilities, the Trust may provide recording devices to ensure the complainant is able to access and review the discussions at a later point.

Recording devices will not be used without the prior consent of all parties.

Where the Trust allows complainants to record meetings, the following will be considered:

- How any decision to allow recordings may affect any third parties called to act as witnesses
- The impact and consequences on the individuals involved in the complaint in the event that recordings are lost or leaked

The Trust will not accept as evidence any recordings that were obtained covertly and without the informed consent of all parties being recorded.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and the Trust with a full explanation of their decision and the reason(s) for it, in writing, **within 5 academy days**.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by the Trust

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Trust will take to resolve the complaint.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the Principal.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

20. Next Steps

If the complainant believes the Academy and St. Bart's Multi-Academy Trust did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the ESFA (Education & Skills Funding Agency) after they have completed **Stage 3**.

The ESFA (Education & Skills Funding Agency) will not normally reinvestigate the substance of complaints or overturn any decisions made by the Trust. They will consider whether St Bart's Multi-Academy Trust and its academies has adhered to education legislation and any statutory policies connected with the complaint and whether they have followed Part 7 of the Education (Independent School Standards) Regulations 2014.

The complainant can refer their complaint to the ESFA online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Academy Complaints and Customer Insight Unit

Education and Skills Funding Agency

21. Complaints campaigns

Where the Trust becomes the subject of a complaints campaign from complainants who are not connected with the Trust or an Academy, **a standard, single response will be published on the Trust or relevant Academy's website.**

If the Trust or Academy receives a large number of complaints about the same subject from complainants who are connected to the Trust or an Academy, e.g. parents, each complainant will receive an individual response.

If complainants remain dissatisfied with the Trust or Academy's response, they will be directed to the ESFA.

22. Availability

A copy of this policy will be made available on request. It will also be published on the Trust and each Academy's website, as recommended by the ESFA.

23. Monitoring and review

The complaints procedure will be reviewed **every two years** taking into account any legislative changes and the latest guidance issued by the DfE or ESFA

Appendix 2 – Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the Academy in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the Principal or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.
- The Principal or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Co-ordinator

(This could be the Principal or CEO / designated complaints governor or trustee or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, Principal, CEO, Chair of Governors, Chair of Trust or the Clerk and to ensure the smooth running of the complaints procedure

- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

Clerk to the Local Governing Committee / Trust Board

The Clerk is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example: stage 1 paperwork, Academy/Trust and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision.

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.
- If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting
- both the complainant and the Academy/Trust are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure

- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the Academy/Trust has one).

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so
- No governor / trustee may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the Academy/Trust and the complainant
- We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.
- many complainants will feel nervous and inhibited in a formal setting
- Parents/carers often feel emotional when discussing an issue that affects their child.
- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting
- Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.
- The committee should respect the views of the child/young person and give them equal consideration to those of adults.
- If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.
- However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.
- the welfare of the child/young person is paramount.
